A Message from the President...

Dear Friends and Neighbours,

Last November, the Parkview Hills Community Association (PHCA) held its Annual General Meeting and elected a new Board of Directors to represent your interests and concerns.

This meeting was very noteworthy because it was one of the most well attended AGM's in our Association history and also because we provided a very detailed report to our community. Our new Board is making an active contribution because, like you, we believe in our great neighbourhood.

We hope you will find the time to attend our upcoming events listed on this update and also take out a membership for 2010 and support the PHCA. Your membership will help us make sure we have the funds to communicate with you on a regular basis.

I'm sure you recently noticed that the lighting at the Parkview Gardens Parkette at Sandra and St. Clair has improved and with that is the first of many issues that need to be addressed with the parkette. Over the coming months, the PHCA will be continuing to work closely with local residents Bob Willis, Norm Crone and Larry Bruce so that the entrance of our community is beautified and maintained.

Improvements are also being planned for the stairs off of Alder Road that lead into Taylor Creek Park. Our Board continues to be engaged with the City of Toronto and once more information is available, you can count on us to keep you posted.

Please continue to visit our website at www.parkviewhills.ca and take a moment to subscribe to our e-mail bulletin so that you're kept up-to-date on a monthly basis.

As always, we appreciate your feedback and look forward to seeing you at our upcoming community events.

Justin Van Dette
President, Parkview Hills Community Association

PS - Because we're in the middle of the winter season, the PHCA would like to encourage you to "be nice and clear your ice and snow."
